Dear Friend,

There are few among us who have not been touched in some way by an illness that impacts our High Desert Community. From the moment, a doctor says the word "Cancer," life is turned upside down.

Very few are prepared for the physical, emotional, and financial demands that come with a cancer diagnosis. When cancer impacts a young mother with children, a father who is the sole financial provider for his family, an elderly parent who lives alone, or someone with very limited financial means - people need help fighting for their lives, they cannot do it alone.

This is where you can make a difference for families in our High Desert!

We invite you to help eight individuals and their families in the fight of their lives by becoming a Sponsor of the ***Cues for a Cure Pool Tournament***. The tournament consists of eight separate weekly competitions as well as a 2nd place play off and final tournament. It will run from September 8th through October 20th 2018 hosted at The Rusty Bull in Apple Valley and Classic Billiards.

As a sponsor, you will be acknowledged at your assigned event, on our social media promotions, on our website. The tournament is being coordinated by an all-volunteer staff. All proceeds raised at the tournaments will directly benefit the **High Desert families**. In 2017 we were able to raise **\$20,000** which was able to help 8 local individuals battling cancer and blessed them with a check for **\$2,500!** We know with your help, we can do even more!

More information about Sponsorship levels is attached to this letter. We also welcome donations of raffle items for the ten events that comprise the tournament with a value of \$25 or more or we are also accepting donations of promotional items or smaller donations for our Wheel of Fortune. Checks are written payable to **High Desert Community Foundation**; please put **High Desert Angels** in the memo. And, if you want to compete at the billiards table, we welcome that too.

As a community, we can make a difference and fight alongside families in our High Desert. Together we can make a difference and offer a bit of hope.

Sincerely,

High Desert Angel
